**CAT ALLERGIES, RASHES, IRRITATIONS, ...
Stings, Bites, Ticks "Natures Antihistamine Combo"**

ITEMS for both APPLICATIONS

- Diffuser & Water [NOT Distilled]
- Lavender, Lemongrass, Peppermint
- 2ml Glass tinted dropper bottle (Topwel)
- Fractionated Coconut Oil (Molivera Organics)

APPLICATION 1 METHOD-Aromatically

(Use in area where cat has freedom to approach or leave)

- Fill diffuser with water

- Equal parts "neat" of the 3 essential oils, i.e. 3 drops each

PREPARATION

•2ml bottle: Add 2 drops ea of essential oils & fill remaining space with Fractionated Coconut Oil. (Squeeze dropper before inserting, to suck contents inside it, to provide enough room for it to fit in bottle.)

APPLICATION 2 METHOD-Topically/Orally-[Part fur to expose skin to apply/Their licking paws & body makes them ingest some]

(Enters bloodstream & becomes systemic)

- Shake solution mixture. 1 drop each: Chest, stomach, abdomen, tops of paws
- 1 drop on sting or bite [or live tick to fall off naturally]

**CAT ALLERGIES, RASHES, IRRITATIONS, ...
Stings, Bites, Ticks "Natures Antihistamine Combo"**

ITEMS for both APPLICATIONS

- Diffuser & Water [NOT Distilled]

CAT DIGESTIVE ISSUES & IMMUNE SYSTEM

(Upset stomach, Gassy, Bloating, Loose stool)

ITEMS

- 1ml Glass tinted dropper **bottle** (Topwel)
- Fractionated Coconut Oil** (Molivera Organics)
- DigestZen**

PREPARATION

•1ml bottle: Add 6 drops of DigestZen & fill remaining space with Fractionated Coconut Oil. (Squeeze dropper before inserting, to suck contents inside it, to provide enough room for it to fit in bottle.)

APPLICATION METHOD-Topically/Orally-[Part fur to expose skin to apply/Their licking paws & body makes them ingest some]
(Enters bloodstream & becomes systemic)

- Shake bottle of solution mixture
- 1 drop each: Chest, stomach, abdomen, tops of paws

- DigestZen**

PREPARATION

•1ml bottle: Add 6 drops of DigestZen & fill remaining space with Fractionated Coconut Oil. (Squeeze dropper before inserting, to suck contents inside it, to provide enough room for it to fit in bottle.)

APPLICATION METHOD-Topically/Orally-[Part fur to expose skin to apply/Their licking paws & body makes them ingest some]
(Enters bloodstream & becomes systemic)

- Shake bottle of solution mixture
- 1 drop each: Chest, stomach, abdomen, tops of paws

CAT DIGESTIVE ISSUES & IMMUNE SYSTEM

(Upset stomach, Gassy, Bloating, Loose stool)

ITEMS

- 1ml Glass tinted dropper **bottle** (Topwel)
- Fractionated Coconut Oil** (Molivera Organics)
- DigestZen**
